Mr. J. F. Masters, Cashier of Emmitt & Co.'s Bank at Waverly, Ohio, says: "I consider Chamberlain's Cough Remedy the best I ever used. After using several other kinds, without benefit, I tried it and it quickly cured me, after years of suffering with an obstinate cough trouble." 50 cents bottles for sale by all leading druggists

They know how to cure rheumatism in Pennsylvania! Mr. J. F. Meighan, a Pittsburg cigar dealer awoke one morning with an attack of rheumatism in his right arm. Working around the store during the forenoon made it worse. By noon the pain was so severe that he could not raise his hand to his head and had to carry his arm in a sling. One of his customers, on learning the facts, went across the street to E. E. Heck's drug store, and at his own expense procured a bottle of Chamberlain's Pain Balm and persuaded the cigar dealer to try it. It eased the pain and reduced the swelling so that by the next morning he could use his arm, and by the second morning was entirely well. This is only one of the many severe cases of rheumatism that have been cured by this valuable remedy. 50 cent bottles for sale by all leading druggists. m18

HOW CAN PARENTS—Allow their children to cough and calmly say: "Oh! it's only a little cold," and keep giving them cheap medicines, until they are down with lung fever or consumption, when they can be so easily relieved by using BEGG'S CHERRY COUGH SYRUP? It has no superior and few equals. W. H. Chedle, Druggist.

COUGH! AND COUGH! AND COUGH!—What in the world is the reason you will cough and keep coughing and still keep trying inferior medicines when BEGG'S CHERRY COUGH SYRUP will positively relieve your cough at once? This is no advertising scheme, but an actual fact, and we guarantee it. W. H. Chedle, Druggist.

The S. F. Report claims that there is no truth in the statement that a fight took place between Warren and Murphy. The men did not meet at all.

The Carson APPEAL has donned a new dress and henceforth the clearness of the imprint will share the honors with the prominence of the paper. Long may the APPEAL prosper.—Reveille.

It is announced that there are twenty-five thousand unemployed men in San Francisco. There is a howl for either bread or work, and yet \$10,000 were recently contributed to the Irish Nationalist fund.—Homer Index.

Previous to the demonetization of silver, Michigan had a mortgage debt of \$72,000. When half the lawful money of the country was killed, the money sharps got in their work on the Michiganders in good shape, for the "good seed" had been pretty extensively sown. Truly it may be said to have increased "an hundred fold," for today Michigan rolls up a mortgage debt of \$500,000,000.

A large audience spent three hours last evening laughing at "A Hole in the Ground" at the Bijou Theatre. The absurdities and comical situations of this laughter-provoking play were as effective as usual in keeping those present in a constant state of merriment. Kate Hart as the lunch-counter girl made a decided hit; her dancing especially merited the applause which it received. The whistling solos of Frank Lawton were encored until his wind gave out. Chas. H. Clarke had hard work as The Stranger, and showed that he is an excellent legitimate low comedian. This farce should play to crowded houses during the two weeks it will remain at the Bijou.—The Evening Telegram.

SUIT FOR \$50,000.—The suit of Asa Hamilton vs. the Southern Pacific Company is in progress in the U. S. Circuit Court at Carson. Mr. Hamilton asks for \$50,000 damages for being ejected from defendant's cars at Lovelock station, Humboldt county. J. H. MacMillan and Attorney General Alexander are attorneys for plaintiff, and Messrs. Baker & Wines, of this State, and some of the Railroad Company's lawyers in California for defendant.

ELKO'S TAX LEVY.—The County Commissioners of Elko have fixed the tax levy for the year 1890 at \$2.25 on each \$100 of assessed valuation. This is a raise of 45 cents from last year, made necessary by the unprecedented loss of stock throughout the country during the past severe winter.

LA GRIPE AMONG THE INDIANS.—The grip has been particularly fatal among the Indian tribes of the West. Among the Shawnees in Indian Territory nearly all of the children under six years of age died in one week.

MISS LOHMAN'S DISPLAY.—A look at Miss Lohman's show window next to Golden's will show that there is somebody in the store who knows how to arrange flowers ribbons and feathers in a tasty manner.

ANOTHER MAN FOR KEOGH.—Jim Fell, the bulky pugilist who has been in a couple of preliminary bouts in San Francisco in the California and Golden Gate Clubs and who won a speedy knock-out recently has gone to Virginia City to try and arrange a match with Keogh, the heavy-weight of Nevada.

The Mass Meeting.

Dr. Herriek presided and forcible speeches were made by him, Mr. J. H. Cook of Reno, and Mr. S. Summerfield.

The following resolutions were unanimously adopted:

Resolved, That we, the citizens of Carson City, Nevada, in mass meeting assembled, hereby express our disapprobation of the joint resolution introduced in the Senate of the United States by Senator Henry W. Blair, proposing an amendment to the Constitution of the United States respecting "establishments of religion and free public schools." That we are opposed to the passage, by Congress, of the Blair Sunday Rest Bill, and the kindred measure introduced in the House of Representatives by Mr. Breckenridge, of Kentucky, and to all other legislation looking to the recognition or establishment of any system of religion by the Nation or by any State, or restricting the right of any citizen to engage in any legitimate pursuit on any day of the week.

Resolved, That while we believe in and approve the teaching of the principles of virtue and morality in the public schools we enter our decided protest against either State or National legislation that will introduce into our public schools the teaching of the Christian or any other religion.

Resolved, That we believe any connection between religion and State is not only injurious to both, but is destruction of personal liberty, freedom of conscience, and the public welfare, and with the patriot soldier, Grant, we affirm that the matter of religion should be left, "to the family altar, the church and the private school, supported entirely by private contributions. Keep the State and the church forever separate."

Resolved, That we earnestly request our Representatives in Congress to oppose the passage of the aforesaid measures. That the Chairman of this meeting transmit copies of these resolutions to said Representatives for presentation to the Senate and House of Representatives, and that the press of the State are hereby requested to publish the same with the proceedings of this meeting.

WHAT WINTERS SAYS.—Theo. Winters has returned home and will not return to San Francisco probably before going East to look after his racing interests. He says he has never received an offer from any syndicate or anything else for El Rio Rey of \$100,000 or any other amount. He would not sell his horses in that way, for soon speculators would be buying up his best colts and he would be left with a lot of cast-off animals. If he sells at all, it will be to sell his whole stable. In the last week or so dispatches have come every now and then, saying that El Rio Rey is in fine trim for Nashville races, or Rey del Rey was given some stiff work today. He is in fine trim for the Nashville events. Now Mr. Winters being the owner of the two kings, knows what he is talking about, and he says neither El Rio Rey nor Rey del Rey will be raced at Nashville. The first meeting at which either will appear in a race will be at the St. Louis meeting. An important piece of news to owners given out by Mr. Winters is that there will be no more full brothers or sisters to El Rio Rey or Rey del Rey, as their famous sire has been retired from the stud. Marian, their dam, will be served to the stallion Joe Hooker hereafter.

The Blair Educational Bill was defeated yesterday.

Elder B. F. Kittinger of Gettysburg, Pennsylvania, says he had been suffering with a cold and cough, also his wife, that they took to using Chamberlain's Cough Remedy and received great benefit from it. Yet he says, "It was so pleasant to take." For sale by all leading druggists. m18

A party of railroad officials have gone to the Summit to witness the operations of the new Rotary and Cyclone plows in the Cascade Cut, where there is ten feet of frozen and packed snow on a siding that has not been disturbed this winter.

As Engineer Spencer was coming down the mountain twelve miles West of Bagdad, Cal., Tuesday, he saw a man in a nude state run across the track, waving his arms frantically. Spencer stopped the engine and endeavored to catch him, but the man escaped to the mountains.

The lower iron bridge across the river near Bridal Veil Falls, Yosemite Valley, has broken down and now lies a total wreck at the bottom of the river. The cause was probably a decayed timber resting on the abutment, or possibly defective iron work. The bridge broke three years ago and was thoroughly repaired at that time.

BAD CAVE.—News has been received here of a bad cave in the 300 foot tunnel of the Carson & Colorado railroad at the summit, near the White mountains. About 70 feet of the tunnel has caved in, owing to a landslide, and it will take about ten days to clear it out. There will be no interruption to travel, as there will be trains on either side of the break. Assistant Superintendent Laws has a large force of men working on it.

THE EDITOR GETS IN.—Surveyor General Charles W. Irish of Nevada gave a dinner at his residence in Reno last Sunday to Bill Nye, the famous humorist, Mr. Edward Curtis of this city and the editor of the APPEAL. They were among the delayed passengers who had to wait a couple of days at Reno. Miss Irish and Miss Angel were also of the party.—S. F. Post.
